

# Smart Governance Through SAP ERP

**HIGHBAR**  
TECHNOCRAT

## Technical expertise backed by industry knowledge

At Highbar Technocrat, we treat an IT project as a business transformation initiative rather than mere technology implementation. The Highbar team comprises of professionals who have amalgamated the legacy of domain knowledge in the infrastructure business with IT to create industry specific best practices templates that can be customized and converged to cut down the cycle-time of implementation, reducing the need for customers to share every minute detail of their processes. Highbar possesses rich technical expertise in the following areas up to their latest versions/ enhancement packs:
